### THE RIGHT WHITE

- 34 We're a fan of...** the Porter's Paints fan deck Essential Whites, with 40 shades of white to choose from (above, \$10.60; 1800 656 664).
- 35 Shades of pale** “White paint is complex,” says Peter Lewis, founder and chief paint creator for Porter's Paints. “Always buy a sample pot and paint at least three coats to make sure the colour is true.”
- 36 Follow the light** “Don't forget to check the colour at night,” adds Lewis. Colours look different in varying lights.
- 37 Strokes of genius** Be guided by designers' favourite whites, like White Birch, Antique White USA and Natural White, all by Dulux; 13 25 25
